adventurous spirit

a mini zine

To Nolen & Hannah

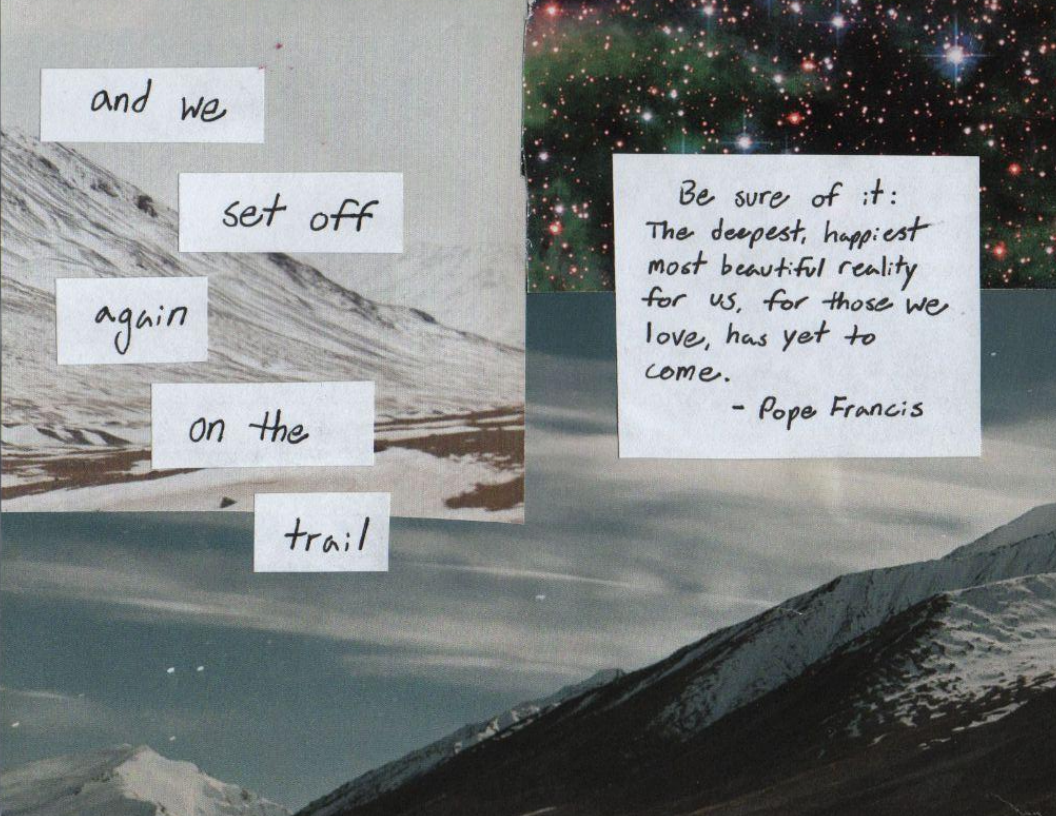

we
choose
adventure
in
life
One does not discover new lands without consenting to lose sight of the shore for a very long time.
- André Gide

It might be getting to the top of a climb and seeing the view. Or savoring an incredible meal, or laughing so much you can hardly breathe... This moment, right here, has made everything leading up to it worth it.

"the underlying gift of life... that we are miraculously part of something, rather than nothing."

- David Whyte

and we
set off
again
on the
trail
Be sure of it:
The deepest, happiest
most beautiful reality
for us, for those we
love, has yet to
come.
- Pope Francis
